Abstract. *ICMADS'27* welcomes all original submissions electronically via *Microsoft CMT* system. All authors need to submit their abstracts (min 250 words, **no more than one page** including references) within the deadline making sure that all author details are complete. The corresponding and the presenting authors must be clearly identified when doing so. All abstracts must be prepared according to this template. Accepted and presented abstracts will appear in the *book of abstracts* immediate after the conference [1, 2].

Page should be in A4 (210 X 297 mm) size with left and right margins of 2 cm, a top margin of 3.5 cm and a bottom margin of 2.2 cm. The text page should include the authors' names, addresses, affiliations and the email address for the corresponding author. The references should be included at the end and all references must be cited in the text (or vice versa) [3, 4]. Any source of support should be provided above the list of references.

Keywords. Keyword 1, keyword 2, keyword 3

Acknowledgements. Acknowledgements may be made to those individuals or institutions not mentioned elsewhere in the paper that made an important contribution.
